SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

East Aiken Elementary won the Red Carpet Award for 2008-09. We are extremely proud of our family-friendly atmosphere and our warm, inviting environment. Members of our School Improvement Council and PTO collaborated to write a grant to fund landscape projects. Parents worked tirelessly to create a South Carolina Garden with an outdoor classroom in our courtyard. Students, teachers, parents, and community members enjoy this beautiful addition to our campus.

Literacy Model Classrooms at East Aiken are providing intensive, individualized instruction in reading, language, and writing. Teachers plan lessons for the whole class, small groups, and individual children. Students work in small groups in literacy centers designed to meet the needs of each child. Our Reading Interventionist provides additional specific instruction to struggling readers.

Student achievement in mathematics is improving under the direction of our mathematics coach. She facilitates grade level team planning and helps teachers use MAP data to inform their assessments and instruction. The coach also teaches model lessons and locates math manipulative materials to enhance math instruction.

Innovative technology, such as interactive white boards, digital cameras, and etvStreamlineSC, enhances lessons in all areas. Four mobile laptop labs are available for classes to use for a variety of computer programs. Our Media Specialist collaborates with teachers to design research projects for students using the Internet and other resources.

Our 21st Century Community Learning Center continues to provide outstanding opportunities for student growth and development in the daily after-school program. Grant funding and community resources allow one hundred at-risk children to benefit from a wide range of academic and enrichment services at no charge.

Volunteers make a vital contribution to the success of our students. Parents and community members serve as mentors to children who need a caring adult in their life, tutor students with special needs, and assist teachers with a variety of activities.

East Aiken is an Arts in Basic Curriculum Site, a recipient of a Distinguished Arts Program grant, and our partnership with the Aiken Community of Character initiative continues. Our monthly arts-integrated character education productions are legendary. Artists-in-Residence come for a full week to immerse our students in arts experiences such as Sweetgrass Basket Weaving, Batik, and Multicultural Drumming. Our teachers, parents, and others work together to ensure that our children have exemplary experiences in academics and in the arts.
